

# Water Conservation Pledge

I  
pledge  
to conserve  
water and to  
Use water wisely. I  
pledge to take shorter  
showers, to use a broom to  
sweep sidewalks, to use less  
water in the bathtub, to turn off the  
hose while washing a car, and to use  
water carefully in the garden. I pledge to  
remind my parents to use water wisely if  
they are wasting it. When I become an adult,  
I pledge to continue my water-saving  
habits because I know that water is life  
and California does not have  
enough water to waste.
