Subject: Draft GSP Emergency Regulations Public Comment

DATE GROUNDWATER
SUSTAINABILITY PLAN
REGULATION COMMENT
RECEIVED BY DWR
2/22/2016

Ms. Bisnett:

There appears to be a TYPO in the draft regulations in section 352.6(f) at page 10. The reference to "Section 355.12" likely should be "Section 355.10(c)." If not, the regs are missing a section 355.12.

This office will provide more formal comments at a later time.
