

**Alicia Seesholtz**  
**Environmental Scientist**  
**Department of Water Resources**

**Contact Info:**

3500 Industrial Blvd, West Sacramento, CA 95691  
[aseeshol@water.ca.gov](mailto:aseeshol@water.ca.gov)  
(916) 376-9848

**Education:**

MS, Biological Sciences, CSU Chico  
BA, Marine Biology, UC Santa Cruz

**Research interests:**

Sturgeon biology including migration, holding, spawning, and rearing; behavioral ecology and conservation biology of anadromous fishes particularly sturgeon; management of special status species; telemetry; and community and population ecology of fishes.

**Other Related Information:**

Co-chair of the Sturgeon Project Work Team  
Green Sturgeon Recovery Plan team member
